Brian Slaugh, AICP

TRENTON, NJ – Clarke Caton Hintz, together with the Bayone Local Redevelopment Authority, Ehrenkrantz Eckstut & Kuhn Architects and Fidelco Realty Group will be honored recipients at the annual NJPO Achievement in Planning Awards Banquet on April 29, 2005 at the Somerset Hills Hotel in Warren Township for The Peninsula at Bayonne Harbor Project. The Peninsula at Bayonne Harbor will transform the former Military Ocean Terminal into a mixed use community extending two miles into the New York Harbor. The master plan calls for five distinctive residential neighborhoods with a concentration of service and destination retail, select commercial office locations, special leisure/recreation and cultural at-

tractions, civic facilities, and public open space all accessible by public transit, water transportation, and private automobile.

About The New Jersey Planning Officials (NJPO)

The New Jersey Planning Officials (NJPO), founded in 1938, is a non-profit, tax-exempt organization comprised of appointed members of planning boards and zoning boards, elected officials and professionals dedicated to promoting sound planning through educational services, support and information. Associate members include citizens groups and corporations interested in planning, interested individuals, and professionals (lawyers, planners, engineers, etc.).

About Clarke Caton Hintz

Clarke Caton Hintz (CCH) is an award-winning architectural, planning, and landscape architecture firm with a 26-year track record of providing clients with a broad multi-disciplinary approach keyed to solving today's complex planning and design problems.

CCH approaches planning and design as a professional collaboration and believes that architecture, planning, landscape architecture, historic preservation and environmental analysis are fundamentally interdependent.. Their multi-disciplinary

approach distinguishes them from the more traditional architecture and planning firms in New Jersey and was vital in being named "Architecture Firm of the Year" by the New Jersey chapter of the American Institute of Architects.
